**ACTION ALERT  
NOVEMBER 10, 2011**

**OVER 11,000 LETTERS!  
WE THANK EACH AND EVERY ONE OF YOU!**

**TITLE XX LETTER WRITING CAMPAIGN EXPLODES!  
OVER 11,000 LETTERS SENT TO GOVERNOR CUOMO  
KEEP SENDING LETTERS!**

***Thank you!*** Thanks to your dedication to keeping all senior centers open, you all not only hit the 10,000 mark of the thermometer in our last alert, but bust your way through it to more than 11,000 letters! Please let each person that signed a letter know how important this is and thank them.

***Don't stop now!*** If your agency hasn't sent any letters or there are more letters you could get signed, keep doing it. You can send letters through December – but the earlier you send them and the more is better because Governor Cuomo is putting together his budget now. We will keep you updated on how many letters have been sent.

***Next steps!*** It is very important to let your State Assemblymember and Senator and City Councilmember know about the letters you sent and ask them to publicly oppose any cut to Title XX funding for senior centers.

## LETTERS SENT TO GOVERNOR CUOMO TO PREVENT TITLE XX CUTS

Please send us this form after you've sent out the letters. It is ok to send us more than one form if you send out additional letters. Please date the form and let us know if it is a second form so we can track it and not duplicate the letter count. We need the names of your state representatives and City Councilmember so we can let them know how many letters were sent to Governor Cuomo from their district. You should also be in touch with them. **We'd appreciate getting the first letter count by November 4th. You can continue to send letters through November and December, but the sooner the better.**
